2012 Cabernet Sauvignon

Producer Profile

Located just north of the town of St. Helena on the loamy bench soils at the base of the western hills, the estate produces world-class Bordeaux varietals from its historic 42-acre vineyard. The entire property is biodynamically farmed and 100% certified organic. The winemaking is at once state-of-the-art and hands-on artisanal. Natural yeast, the finest French oak barrels, and attention to detail are the ingredients. The wines are age-worthy and collectable, and made in an international style that celebrates power, finesse, elegance, and terroir expression.

Winemaker's Notes

This is a full-bodied, heavyweight Cabernet Sauvignon from the loamy benchland soils of our estate vineyard. The wine is layered with blackberry, black raspberry, caramel and milk chocolate, and sports a great structure and backbone. Focused acid, silky soft tannins, and a touch of spice emerge from the mid-palate. Compelling and complex, this is a fine Bordeaux-style Cabernet blend that will age for decades.

Notes on the Vintage

2012 was a great vintage in the Napa Valley. Early spring rains gave us just the water we needed to get the vines growing, then the warm weather set in right on cue. All summer long we enjoyed warm days and cool nights that were so beautiful it was almost too good to be true! A long mellow season with enough heat to polish the grapes and develop the flavors, and no extreme weather events to compromise the valley-wide excellence. Every grape on the estate was picked at optimum ripeness.
