

EHLERS

ESTATE

2014 J. LEDUCQ CABERNET SAUVIGNON

This is a single-lot, single-vineyard, Cabernet Sauvignon from the Aikens Loam hill behind the barrel barn on our St. Helena estate. As serious and compelling a Cabernet as you can find anywhere, this juicy wine is spicy, perfumed with mint and pomegranate, and subtle cayenne. Full-bodied, elegantly structured, infinitely complex, with firm tannins and a powerful finish, this stunning wine will age for decades.

Notes on the Vintage

2014 was another great vintage in the Napa Valley. A drought year for sure, but just as the spring rolled in we received a timely drenching rain that was just what the vines needed to get started. The season took off historically early, the weather was warm and mellow all summer, and we harvested earlier than ever under sunny skies. The fruit was beautiful, the wines are intense, complex, and concentrated.
