ESTATE

2014 CABERNET FRANC

Another beautiful, 100% Cabernet Franc with great structure, firm, mature tannins, and compelling flavors. Intense black and red berries, black cherries, browned butter, and brilliant acidity, this wine is pure Franc from a stellar terroir. Mouth-filling, and delivering a long sexy caramel finish, this is a perfect change-up to your best Cabernet Sauvignons.

Notes on the Vintage

2014 was another great vintage in the Napa Valley. A drought year for sure, but just as the spring rolled in we received a timely drenching rain that was just what the vines needed to get started. The season took off historically early, the weather was warm and mellow all summer, and we harvested earlier than ever under sunny skies. The fruit was beautiful, the wines are intense, complex, and concentrated.

Varietal

Cabernet Franc
100% Cabernet Franc
